

This is one way
to keep a cat from
chasing birds

For a better way, see
[article by Martina Steiger](#)
in this issue of IJHC.

Hugs heal!

Deer know you put out
carrots and flowers just for
them.

More dogs who resemble their people - or people who resemble their dogs

It's even hard to teach little old dogs new tricks.

While this is a morphed picture, see photo and story of a real [cat giving Reiki healing](#) in this issue of IJHC.

Anyone want a hot dog?

What lessons can we take from cats in relaxing?

Cats will choose to keep you company when you least expect them to!

How would you cope if you had nanuplets?
or nanopuplets?

Here's a creative way to walk your dog!

Amazing how dogs come in so many sizes and variations, all descended from wolves.

Lots to learn from dog (and other) genomes!

Either he's got the wrong mouse, or he's sleeping on the job!
