ANNOUNCEMENT: Fundraising for IJHC

Hi IJHC Community,

It is fund raising time of year!

If you like the information available in the journal, please contribute. We are grateful for your support. Some 55,000 readers access our journal on a monthly basis and we provide the information free of charge. We are continuing to upgrade the journal and have recently completed posting all the research articles to cross reference to provide doi information so they are both easily searchable and the authors are able to get credit when their work is referenced. That process takes time, money and has to be maintained. Please help us keep this information available to humanity. All contributions at any amount are accepted with gratitude and are US non-profit tax-deductible contributions. Checks and money orders are accepted. Please make them out to the international journal of healing and caring.

Send them to:

International Journal of Healing and Caring
Attn: Dr Melinda Connor
31907 E. Davis Ranch Rd.
Marana, AZ 85658

Please be sure to include your name, address, email and phone number so that we may send your donation receipt.

Thank you for helping us continue to provide holistic health articles and research to the world.
